FROM ALL THOSE WHO  
HAVE BEEN TOUCHED BY YOUR LOVE*

*WHAT IS PERFECTION, BEAUTY AND JOY  
THE CRYSTAL BLUE IRISH EYES  
OF OUR PRECIOUS LITTLE BOY  
A GIFT FROM GOD FOR US TO TREASURE  
WHO CAME TO US EARLY- GIFTING US ALL-  
WITH LOVE TOO GREAT TO MEASURE  
HIS CURIOUS SMILE, AND BREATH UPON OUR CHEEK  
SHOWED US STRENGTH NOT VISITED UPON THE MEEK  
THE DAYS AND NIGHTS OF INTIMATE TOUCH  
SOMETHING WE WILL HOLD DEAR AND TREASURE SO MUCH  
SAND AND SUN AND OCEAN SPRAY  
LIFTS US BACK TO LOVING SUNNY SUMMER DAYS  
LIFE IN SLOW MOTION MOVING WAY TOO FAST  
BUILDING MEMORIES IN OUR HEART THAT WILL ALWAYS LAST  
BREWSTER AND KORO AND TRUCKS OF RED  
THE SWINGS IN YOUR YARD AND THE FIRE TRUCK BED*

*CONNOR IS LOVING AND STRONG BEYOND YEARS  
AS I COULD ONLY TURN AWAY TO HIDE MY TEARS  
BUT NOW YOU WILL GUIDE US FROM THE HEAVENLY PLACE  
AS WE ARE BUT A HEARTBEAT AWAY FROM YOUR PRECIOUS FACE  
I DON'T KNOW HOW I WOULD HAVE EXISTED WITHOUT YOUR PLAN  
YOU HAVE FOREVER MADE ME A BETTER WOMAN/MAN  
THERE IS SOLACE IN THE STARS, THE SKY AND THE CALMING SEAS  
THAT YOU ARE FOREVER YOUNG AND TRULY FREE  
AS THE YEARS SLIP BY OUR LOVE WILL ONLY GROW,  
MY HEART SO SHATTERED WILL START TO MEND  
COMFORT IN KNOWING WE WILL HOLD YOU AGAIN, AGAIN,  
AND AGAIN AND AGAIN  
OUR ANGELIC MEETING CAN'T COME TOO SOON,  
WITH A GENTLE LITTLE TUG  
FROM THOSE TENDER LOVING HANDS AND THAT OH SO SPECIAL HUG

The Business and Applied Sciences Academy of North America (BAASANA) is an interdisciplinary, not-for-profit, professional association of business, sciences, and technology. It seeks to disseminate advanced knowledge and skills among scholars and practitioners of business and applied sciences to resolve issues and problems of the 21st Century. By sharing knowledge expertise and facilitating the transfer of know-how across the digital divide, BAASANA programs seek to contribute toward improving human conditions. BAASANA was founded in 2008 by Dr. M. Ruhul Amin, who was then a Professor of Management and international Business at Bloomsburg University of Pennsylvania, USA.

The first BAASANA conference was held during the summer of 2009 in Philadelphia. The second conference was held during the summer of 2011 at Bloomsburg University of Pennsylvania, USA. The 2013 conference was held in New York City, USA, and the 2014 conference was held at Ramapo College of New Jersey, USA. In 2015, 2016, and 2017 BAASANA Conferences were held at Newman Conference Center of City University of New York, New York. The 2018 and 2019 Conferences were held at the conference center of Adelphi University, Long Island, New York. The last day of the conference was hosted at the United Nations (sponsored by IISRT). Due to the COVID-19 Pandemic, we had postponed our 2020 Conference. That year we scheduled a hybrid BAASANA conference with F2F sessions being hosted at the New York Times building. However, since NYT building was not open until September 2021, it was converted to a fully online conference. This year we are holding both F2F as well as blended conference. BAASANA publishes peer reviewed and indexed proceedings with ISSN 2471-6847 at [www.baasana.org](http://www.baasana.org). **Proceedings of the 2023 International Conference will be published by March 2024, and it will also be submitted to Reuter Thompson for indexing subsequently.**

The scholarly publication of BAASANA is the International Journal of Business and Applied Sciences (IJBAS), date will be published via BAASANA website. Upon further review, the best (full) papers of the conference will be considered for publication in the journal. IJBAS is indexed by the U.S. Library of Congress, Cabell's Directory, and EBSCO. IJBAS invites authors of repute to submit scholarly papers (dealing with international, interdisciplinary, and/ or applied content) from any discipline. For a copy of the authors' guidelines, or a sample article please visit: [www.baasana.org](http://www.baasana.org). BAASANA also associates with two affiliated journals. *A Warm Welcome from Founder and Chairman of the Board of Directors of BAASANA*

**Dear Friends,**

**Welcome to the 2023 International Conference of Business and *Applied Sciences* Academy of North America!**

Greetings! Although not as severe, we still have been continuing to pass through the trials and tribulations of Co-vid 19. In addition, we are faced with many man-made human disasters— first, the Russian war in Ukraine and the Israil-Hamas war in the Middle East. The human cruelty and tolls in terms of human lives and properties continued to be immense and unbearable. Second, we are still confronted with global economic, cyber security and climate migration issues. Many of these issues arose due to irresponsible human actions. With hopes that we quickly learn that we cannot act irresponsibly anymore, we must learn to live responsibly; we should love and care for each other, and that resolve the issues and challenges of all humans on the earth by all of us collectively. Finally, we must dream of a better life and future for all the living beings on this planet. Finally, let me welcome you to the 18<sup>th</sup> BAASANA International Conference at Wagner College, New York. This year's conference theme is **CONTEMPORARY GLOBAL ISSUES OF BUSINESS, SCIENCE, SOCIAL ECONOMY, and POLITICS: PERSPECTIVES FROM DEVELOPED AND DEVELOPING COUNTRIES.**

Presentations of applied research, interdisciplinary and cross-cultural studies, expert panels, and keynote lectures will address the conference theme.

We express gratitude to the host institution—Wagner College, and its administration and faculty, especially President Angelo Araimo, Provost and VP for Academic Affairs, Dr. Tarshia Stanley, Dr. Jeffrey Krause, Ms. Sharon Guinta and Caitlin Miller, Dr. Nancy Cherafsky for the keynote address and, of course, Judge Ingrid Joseph for the luncheon address.

I want to take this opportunity to thank my dear friend, an ardent member of BAASANA international Board, a stern champion of student scholarship, teaching, and learning excellence, Dr. Donald Crooks, Rutgers University, Adjunct, and Dr. Jet Mboga, BAASANA's Vice President of Administration and Finance, Dr. Shani Carter, and Dr. C. Tully, the two distinguished members of BAASANA International Board for their dedicated contributions for the conference.

Finally, YOU, the participants, presenters, and panelists -without your attendance and assistance, this conference would not have happened. Dr. Serajul I. Bhuiyan, President and Program Chair for the 2023 Conference, has done a commendable job organizing this conference. Please join me for a round of applause for all the participants and the members of the BAASANA leadership team. WELCOME!!

*M. Ruhul Amin*

November 9, 2023

Dr. M. Ruhul Amin, President Emeritus and Chairman of the Board

*Warm Greetings from Program Chair and President Dr. Serajul I. Bhuiyan*

Ladies and Gentlemen,

With immense pleasure and honor, I extend a heartfelt welcome to the distinguished BAASANA-Wagner College Conference, 2023. We have convened at the picturesque Wagner College in Staten Island, New York, where our intellectual discourse will flourish from November 9th to 11th, 2023.

In the presence of our distinguished keynote speakers and conference presenters, we are privileged to bask in a wealth of knowledge and expertise, elevating the significance of this event to unprecedented heights. This gathering is a testament to the teamwork and collective leadership that has propelled BAASANA to excellence. As we embark on this scholarly journey, our presentations will enrich discussions on the conference theme: "Contemporary Global Issues of Business, Science, Social Economy, and Politics: Perspectives from Developed and Developing Countries."

This theme resonates with exceptional relevance in an era marked by relentless change and global interconnectivity. It invites us to explore the multifaceted challenges and opportunities shaping our global landscape. At Wagner College, we represent a diverse tapestry of scholars, practitioners, and thought leaders from developed and developing nations, fostering a global dialogue transcending borders.

I commend the tireless efforts of the BAASANA team, especially Dr. Donald Crooks, who played a pivotal role in selecting this venue and engaging with Wagner College leadership. Dr. Jet Mboga's dedication to managing conference coordination and Dr. Shani Carter, who prepared the draft conference schedule, deserve special recognition. Dr. Ruhul Amin, Chairman of the BAASANA International Board, has been our guiding force.

With your support, I tirelessly worked to engage scholars from South Asia, the United Kingdom, and various corners of the United States, ensuring the success of this conference.

In the coming days, our shared journey will feature thought-provoking discussions, innovative research exchanges, and exploration of solutions to pressing global issues. I hope this conference expands our understanding and fosters enduring connections and collaborations.

I warmly welcome our keynote speakers, honored guests, dedicated participants, and each of you at scenic Wagner College. Let us seize this opportunity to learn, share, and contribute to our understanding of the contemporary global landscape.

Thank you for being part of this significant gathering. I eagerly anticipate the enlightening discussions and discoveries ahead.

With utmost warmth and appreciation,

November 9, 2023

Dr. Serajul I. Bhuiyan President, BAASANA Global
